

Bar Code	Model #	Description
Teleport' Series		
676339 65000 3	TP-202XVC	Surface mount IP video door station with Panning Camera (No longer includes controller, REQUIRES Part No: TPC)
676339 65001 0	TP-EF-ABVC	Flush mount IP video antique brass 'Elite' door station - BXR-300EVC back box required
676339 65002 7	TP-EF-ANVC	Flush mount IP Video antique nickel 'Elite' door station - BXR-300EVC back box required
676339 65003 4	TP-EF-BVC	Flush mount IP video bronze 'Elite' door station - BXR-300EVC back box required
676339 65004 1	TP-EF-ORVC	Flush mount IP video oil rub 'Elite' door station - BXR-300EVC back box required
676339 65005 8	TP-EF-CVC	Flush mount IP video copper 'Elite' door station - BXR-300EVC back box required
676339 65006 5	TP-EF-ORBVC	Flush mount IP video oil rub bronze 'Elite' door station - BXR-300EVC back box required
676339 65007 2	TP-EF-PBVC	Flush mount IP video polished brass 'Elite' door station - BXR-300EVC back box required
676339 65008 9	TP-EF-SBVC	Flush mount IP video satin brass 'Elite' door station - BXR-300EVC back box required
676339 65009 6	TP-SVC	Surface mount IP video stainless steel door station
676339 65010 2	TP-S-ABVC	Surface mount IP video antique brass door station
676339 65011 9	TP-S-ANVC	Surface mount IP video antique nickel door station
676339 65012 6	TP-S-BVC	Surface mount IP video bronze door station
676339 65013 3	TP-S-ORVC	Surface mount IP video oil rub door station
676339 65014 0	TP-S-CVC	Surface mount IP video oil rub door station
676339 65015 7	TP-S-ORBVC	Surface mount IP video oil rub bronze door station
676339 65016 4	TP-S-PBVC	Surface mount IP video polished brass door station
676339 65017 1	TP-S-SBVC	Surface mount IP video satin brass door station
676339 65018 8	TP-SFVC	Flush mount IP video stainless steel door station - BXR-300 back box required
676339 65019 5	TP-SF-ABVC	Flush mount IP video antique brass door station - BXR-300 back box required
676339 65020 1	TP-SF-ANVC	Flush mount IP video antique nickel door station - BXR-300 back box required
676339 65021 8	TP-SF-BVC	Flush mount IP video bronze door station - BXR-300 back box required
676339 65022 5	TP-SF-ORVC	Flush mount IP video copper door station - BXR-300 back box required
676339 65023 2	TP-SF-CVC	Flush mount IP video oil rub door station - BXR-300 back box required
676339 65024 9	TP-SF-ORBVC	Flush mount IP video oil rub bronze door station - BXR-300 back box required
676339 65025 6	TP-SF-PBVC	Flush mount IP video polished brass door station - BXR-300 back box required
676339 65026 3	TP-SF-SBVC	Flush mount IP video satin brass door station - BXR-300 back box required
Elite' Series Door Stations		
676339 62014 3	EF-AB	Flush mount audio antique brass 'Elite' series door station - BXR300E back box required
676339 62007 5	EF-AN	Flush mount audio antique nickel 'Elite' series door station - BXR300E back box required
676339 62006 8	EF-B	Flush mount audio bronze 'Elite' series door station - BXR300E back box required
676339 62018 1	EF-OR	Flush mount audio oil rub 'Elite' series door station - BXR300E back box required
676339 62015 0	EF-C	Flush mount audio copper 'Elite' series door station - BXR300E back box required
676339 62021 0	EF-ORB	Flush mount audio oil rub bronze 'Elite' series door station - BXR300E back box required
676339 62020 4	EF-PB	Flush mount audio polished brass 'Elite' series door station - BXR300E back box required
676339 62012 9	EF-SB	Flush mount audio satin brass 'Elite' series door station - BXR300E back box required
676339 62016 7	EF-ABVC	Flush mount video antique brass 'Elite' door station - BXR300EVC back box required
676339 62009 9	EF-ANVC	Flush mount video antique nickel 'Elite' door station - BXR300EVC back box required

676339	62008	2	EF-BVC	Flush mount video bronze 'Elite' door station - BXR300EVC back box required	
676339	62019	8	EF-ORVC	Flush mount video oil rub 'Elite' door station - BXR300EVC back box require	
676339	62017	4	EF-CVC	Flush mount video copper 'Elite' door station - BXR300EVC back box required	
676339	62023	5	EF-ORBVC	Flush mount video oil rub bronze 'Elite' door station - BXR300EVC back box required	
676339	62022	8	EF-PBVC	Flush mount video polished brass 'Elite' door station - BXR300EVC back box required	
676339	62013	6	EF-SBVC	Flush mount video satin brass 'Elite' door station - BXR300EVC back box required	
			ELITE-CC	Custom Colour Match for 'Elite' series door station (Colour Sample Required for Matching)	
X' Series Door Stations					
676339	62000	6	X	Outside surface mount door station (audio only)	
676339	62024	2	2XVC	Outside surface mount door station (audio/ video CCD day-night camera) with Panning	
S' Series Door Stations					
676339	62002	0	S	Surface mount audio stainless steel 'S' series door station	
676339	62045	7	S-AB	Surface mount audio antique brass 'S' series door station	
676339	62026	6	S-AN	Surface mount audio antique nickel 'S' series door station	
676339	62025	9	S-B	Surface mount audio bronze 'S' series door station	
676339	62046	4	S-C	Surface mount audio copper 'S' series door station	
676339	62027	3	S-OR	Surface mount audio oil rub 'S' series door station	
676339	62028	0	S-ORB	Surface mount audio oil rub bronze 'S' series door station	
676339	62029	7	S-PB	Surface mount audio polished brass 'S' series door station	
676339	62047	1	S-SB	Surface mount audio satin brass 'S' series door station	
676339	62003	7	SF	Flush mount audio stainless steel 'S' series door station - BXR300 back box required	
676339	62048	8	SF-AB	Flush mount audio antique brass 'S' series door station - BXR300 back box required	
676339	62031	0	SF-AN	Flush mount audio antique nickel 'S' series door station - BXR300 back box required	
676339	62030	3	SF-B	Flush mount audio bronze 'S' series door station - BXR300 back box required	
676339	62049	5	SF-C	Flush mount audio brass 'S' series door station - BXR300 back box required	
676339	62032	7	SF-OR	Flush mount audio oil rub 'S' series door station - BXR300 back box required	
676339	62033	4	SF-ORB	Flush mount audio oil rub bronze 'S' series door station - BXR300 back box required	
676339	62034	1	SF-PB	Flush mount audio polished brass 'S' series door station - BXR300 back box required	
676339	62050	1	SF-SB	Flush mount audio satin brass 'S' series door station - BXR300 back box required	
676339	62004	4	SVC	Surface mount video stainless steel 'S' series door station	
676339	62051	8	S-ABVC	Surface mount video antique brass 'S' series door station	
676339	62036	5	S-ANVC	Surface mount video antique nickel 'S' series door station	
676339	62035	8	S-BVC	Surface mount video bronze 'S' series door station	
676339	62052	5	S-CVC	Surface mount video copper 'S' series door station	
676339	62037	2	S-ORVC	Surface mount video oil rub 'S' series door station	
676339	62038	9	S-ORBVC	Surface mount video oil rub bronze 'S' series door station	
676339	62039	6	S-PBVC	Surface mount video polished brass 'S' series door station	
676339	62053	2	S-SBVC	Surface mount video satin brass 'S' series door station	
676339	62005	1	SFVC	Flush mount video stainless steel 'S' series door station - BXR300 back box required	
676339	62054	9	SF-ABVC	Flush mount video antique brass 'S' series door station - BXR300 back box required	
676339	62041	9	SF-ANVC	Flush mount video antique nickel 'S' series door station - BXR300 back box required	
676339	62040	2	SF-BVC	Flush mount video bronze 'S' series door station - BXR300 back box required	
676339	62055	6	SF-CVC	Flush mount video copper 'S' series door station - BXR300 back box required	
676339	62042	6	SF-ORVC	Flush mount video oil rub 'S' series door station - BXR300 back box required	
676339	62043	3	SF-ORBVC	Flush mount oil rub bronze 'S' series door station - BXR300 back box required	
676339	62044	0	SF-PBVC	Flush mount polished brass 'S' series door station - BXR300 back box required	
676339	62056	3	SF-SBVC	Flush mount satin brass 'S' series door station - BXR300 back box required	
			S-CC	Custom Colour Match for 'S' series door station (Colour Sample Required for Matching)	
Access' Series Door Stations					
676339	62060	0	G404	Gate Door Station with Keypad Entry Gun Metal Finish. Audio Only. 2 relays. Compatible only with G404CR.	
676339	62061	7	G404VC	Gate Door Station with Keypad Entry Gun Metal Finish. Audio/Video. 2 Relays. Compatible only with G404CR.	
Industrial' Series Door Stations					

676339	62058	7	IPH	Waterproof and Vandal Resistant Industrial phone for noisy and harsh environments without door
676339	62059	4	IPHD	Waterproof and Vandal Resistant Industrial phone for noisy and harsh environments with door
MDU' Series Speakers				
676339	62010	5	ADMDUV4	Outside Door Station (audio) for MDU4 Multi-tenant controller -4 tenants
676339	62011	2	ADMDUV4-VC	Outside Door Station (audio/video CCD day night camera with IR's) for MDU4 Multi-tenant controller -4 tenants
Controllers				
676339	63009	8	TPC	TELEPORT IP Controller ONLY . NO monthly fee REQUIRED. Door Station REQUIRED.
676339	63005	0	C404CR	TeleDoorBell 4 door controller incl. call forward, relays, caller ID, call waiting, RJ31X, power supply, remote dial-up (Terminal Strip Connection) with Integrated Chime
676339	63008	1	G404CR	TeleDoorBell 4 Gate Controller. Supports all TeleDoorBell door stations. 4 Relays, Call Forward & Up to 16 MDU capable.
Hi-Fi' Series Controllers				
676339	63006	7	C403HIFI	TeleDoorBell 4 door controller incl. call forward, relays, caller ID, call waiting, RJ31X, power supply, remote dial-up (Terminal Strip Connection) with Integrated Chime
676339	63007	4	M403HIFI	Page/mute module for 'HiFi' series TeleDoorBell C403HIFI Controller only
MDU' Controllers				
676339	63004	3	CMDUV4	TeleDoorBell Multi tenant controller -4-Apartment incl. call forward, relays, caller ID, call waiting, RJ31X, power supply
MDU' Series				
676339	60400	6	MDUV4-LX	TeleDoorBell MDU controller and door station (audio) -4-tenant- incl. call forward, relays, caller ID, call waiting, RJ31X, power supply
676339	60402	0	MDUV4-LX-VC	TeleDoorBell MDU controller and door station (audio/video CCD day night camera) -4-tenant- incl. call forward, relays, caller ID, call waiting, RJ31X, power supply
Digital Modulators				
676339	64015	8	SCDM-SD1	Single Channel SD Digital Modulator
676339	64016	5	SCDM-SD2	Dual Channel SD Digital Modulator
676339	64017	2	SCDM-SD4	Quad Channel SD Digital Modulator
676339	64018	9	SCDM-HD1	Single Channel HD Digital Modulator
676339	64019	6	SCDM-HD2	Dual Channel HD Digital Modulator
Accessories				
676339	69000	9	LX-DSL3F	DSL filter (3-Port for ALARM, optional TELEDOORBELL and/or other filtered 3rd application i.e. household phones or butt-set)
676339	69001	6	TBG-2	Phone line simulator (for use with TELEDOORBELL when land-line not available)
676339	69002	3	PWT-16	16VAC Power Supply C202, C204 & C304 controllers
676339	69003	0	V-BRK	Mounting bracket for 'X' series TELEDOORBELL audio/video door station - Dual angle 22.5 / 45 degrees
676339	69004	7	BX-400	Replacement surface mount stainless steel back box for AD102S,AD102SVC
676339	69005	4	BXR-300	Flushmount stainless steel back box for TELEDOORBELL AD102SF,AD102SFVC
676339	69006	1	BXR-300E	Flushmount stainless steel back box for TELEDOORBELL AD102-EF-N,AD102-EF-B
676339	69007	8	BXR-300EVC	Flushmount stainless steel backbox for TELEDOORBELL AD102-EF-NVC, AD102-EF-BVC
676339	69008	5	SLM-1A	Handheld RF Signal Meter with Carrying Case
676339	69009	2	RVB7.5A	Ring Voltage Booster 7.5 Ren
676339	69012	2	LX7IWLCD-B	7" TFT LCD In-Wall Display with single video input (backbox included) - Black
676339	69015	3	LX7IWLCD-W	7" TFT LCD In-Wall Display with single video input (backbox included) - White
