

# Code red

Adv. Emergency warning; alert.

Now is the time to install reliable, low-cost Scitec emergency desk and wall phones designed to help you meet emerging on-property security requirements. Choose the lift-to-dial Aegis-LBE or Aegis-PE with full dial pad, or our red 2510E desk set with heavy metal base and double-gong bell ringer. For wall mount applications, choose standard 2554E wall sets or Aegis-LBE and Aegis-PE models with wall mount versatility. Don't wait for a real code red. Prepare today. Call 800-451-4035, write [info@scitecinc.com](mailto:info@scitecinc.com), or visit [www.scitecinc.com](http://www.scitecinc.com).
